Welcome to Borrowdale Caravan Club Site

Get to know your site

Set in National Trust woodland, close to Derwentwater, this is a site to delight the eye and the heart with the lovely fells soaring up and the wild flowers and animals at your feet.

There are numerous walks you can take direct from the site, as to appreciate this northern lakes area you need to be on your feet.

It doesn't have to be strenuous: there are forest trails, nature trails, guided walks and farm walks - the choice is huge.

If the Lakes themselves are the main attraction, Derwentwater is busy with boats and a marina. Buttermere and Crummock Water are quieter with only an occasional passing rowing boat, and Bassenthwaite also merits exploration with its sailing club.
