

Open all year round!

# How to find us

We are in the beautiful rolling hills of Dorset, just 40 minutes' drive from Weymouth and the Jurassic Coast World Heritage Site and only half an hour from Longleat Safari Park.

We are open all year round for long weekends, mid-week breaks or full week-long glamping holidays. One or two night stays are available off-peak. Aromatherapy massage and relaxation treatments are also available.

# CAALM CAMP Luxury Yurt Holidays in Deepest Dorset

"The Yurts were beautiful inside and really cosy and warm. The facilities on the site were superb, with a modern kitchen, large lounge and our own shower room, which was spotless."

"We were surprised they were open all year – and how cosy the Yurts are in winter with their woodburning stoves."

"Our individual private wetroom was as good as a hotel, with fluffy towels and underfloor heating."

"The Yurts were well placed to provide enough privacy when we were eating our meals around the fire pit and toasting our marshmallows!"

Lie back and look up at the stars – while still enjoying all

the comforts of home. Our Tripadvisor reviews say it best...

“What a wonderful venue for our celebrations – ages 4 to 85... a 30th anniversary, 40th anniversary, 50th birthday and 60th birthday. Everything was just perfect.”

“A lovely couple of days in the beautiful Dorset countryside and a welcome rest from London life. Mark & Caryl were so welcoming and even picked us up from the train station on arrival. The Yurts were beautiful and the site was so peaceful.”

“The addition of a single stove, kettle, pan & crockery in the Yurt meant we could enjoy a coffee & breakfast at the Yurt if we didnt want to venture to the shared kitchen/dining area.”

“My four year-old granddaughter loved petting the goats... We loved the fact that she could roam the camp in safety.”

“The pool table and ping pong provided an extra fun element to add to our entertainment.”

We welcome families!

“At night, you can put the children to bed and sit outside the Yurts knowing they are safe and warm and you can enjoy the clear skies sharing good times around the camp fire.”

We are wheelchair accessible too 

“The camp had ramped access to the Yurt, kitchen & wetroom. The pathways around the camp were hard gravel and smooth enough to negotiate in a wheelchair.”
